Scholarship recipients from the Fall 2017 - Spring 2018 academic year may re-apply, at their option, by completing the "Previous (2017/2018 Academic Year) Award Recipient Application Update" application (found on the UA web site at www.ua.org) and providing their most recent *official* grade transcript along with a certification from the educational institution that the applicant remains in good academic standing with no disciplinary actions brought against them. Unofficial grade transcripts (including self-generated computer grade printouts or class schedules) will not be accepted as a substitute for the official grade transcript from the registrar's office of the educational institution. However, please note that the UA scholarships do not automatically renew each year and receiving an award in one year does not guarantee you awards in future years. Therefore, prior year recipients may find it in their interest to complete the full length application in subsequent years to fully display their achievements.

If you were not awarded a 2017-2018* scholarship, you must apply by submitting a fully completed 2018-2019 application with all enclosures and attachments as instructed above. *Note, you must complete the full-length application if you did not receive an award in the *immediately preceding* academic year (2017-2018), even if you received an award in an earlier year.

ELIGIBILITY REQUIREMENTS

1. Children, grandchildren,¹ and spouses of United Association members who are in good standing with the Union are eligible, as long as they are dependent upon that Union member's financial support and maintenance.² United Association members themselves are also eligible.
2. You must plan to pursue or be pursuing post-high school education at an institution of higher education.
3. You must have been accepted for admission or be enrolled in an accredited college or university at the time of the award.
4. You must not be a relative of anyone who is a Selection Committee Member or a Trustee of the United Association Scholarship Trust Fund.
5. You must be a full time student and awards must be used for tuition or other education related expenses for the 2018-2019 school year.
6. Applications must be **postmarked by June 14, 2018**. Please be sure to include proper postage.

AWARD CRITERIA

Awards will primarily be based on academic achievement and potential, personal achievement, and community involvement. Scholarships will be awarded without regard to race, color, religion, sex or national origin. Applications will be judged by an independent and impartial Selection Committee, comprised of distinguished members of the community. Financial need may also be considered in making awards. The Selection Committee may request information concerning the financial circumstances of applicants and use this information in the award of scholarships. Finally, because UA scholarships do not automatically renew each year, receiving an award in one year does not guarantee you awards in future years.

In addition, six scholarships will be given to six "Second Chance" applicants. Those selected will be students whose academic achievement is not the best in their region, but rather students who demonstrate that they want another chance at an education that will help them get a good paying job.

Awards will be announced in August 2018, and may be found through the Members section at www.ua.org. All applicants will be notified by mail of final results.

¹ "Grandchild" is defined as any unmarried natural or adopted grandchild of a Union member, in good standing, who is dependent upon that Union member's financial support and maintenance and who has a regular *parent-child* relationship with that Union member.

² Children, grandchildren, and spouses of *deceased* UA members are also eligible if the child, grandchild, or spouse was dependent upon that UA member's financial support and maintenance prior to their passing.
