Re: Applicant Testing Cancelled 2020

UA Local 342 Apprenticeship Applicant,

Due to the current COVID-19 pandemic and with concerns for everyone's safety, the UA Local 342 JATC Board has decided to cancel the applicant testing that was scheduled for June 6, 2020.

Unfortunately, this event will not be rescheduled. We know many of you have worked hard preparing for the test, and we are very sorry to have to cancel this event.

If you applied for our apprenticeship program in February 2020 and you are still interested in our program, you will need to reapply in February 2021. Please continue to visit the website for updated information as we move closer to upcoming 2021 application process.

We thank you for your understanding with this difficult decision.

Thank you,

UA Local 342 Training Center
