RE: Employer’s Contribution Report (ECR) Forms – December 2018 hours

**PENSION PLAN QUESTIONS**

Due to reporting regulations, you may require information from our office regarding our Pension Plan. Please refer to our website [www.ncpttf.com](http://www.ncpttf.com) and select Annual / Periodic Notifications. The Pension Plan Annual Funding Notice and the Pension Plan 104(d) Notice provide the Plan Name, EIN, Status and other information. These Notices are sent annually in April and November, respectively. After reviewing these notices, if you require additional information, please submit your request to tfo@ncpttf.com.

**THANK YOU!**

Thank you for submitting your monthly reports and contributions timely. We appreciate your assistance in timely submission and encourage you to submit your monthly reports and contributions early when possible. We also appreciate your time and effort regarding reporting questions and changes. You may have received phone calls or correspondence regarding your reports. As indicated in prior notices, due to Auditing Guidelines, we are required to request additional information if your reports are incomplete. We sincerely appreciate your efforts and ongoing compliance.

**HOLIDAYS – SUBMIT YOUR ECR FORMS TIMELY**

Our Office, UA Local 342, the Credit Union Office, and the bank will be closed on January 1st and 21st, in observance of New Year’s Day and Martin Luther King, Jr. Day. Please keep this in mind and allow sufficient time for mail service and delivery to the bank. As a reminder, reports and contributions are due and payable at the bank by the 15th of the month following the work month and are delinquent if not received at the bank by the 22nd (you are urged to contribute at least the 401(k) deferrals by the 15th business day). Failure to report timely will result in assessment of Liquidated Damages and Interest Charges. Receipt at the bank is what determines when your contributions were “received”; the postmark is not a factor. The mailing address is provided on the reverse side of the ECR for your reference.

**APPRENTICE ADVANCEMENTS EFFECTIVE JANUARY 1st – REMINDER**

Effective January 1, 2019, any Apprentices who are eligible to advance to the next level will be re-dispatched by UA Local 342. Please review NEXT month’s ECR Forms carefully for classification changes. If you think an Apprentice may be listed on the ECR at an incorrect classification, please contact our office. You may be referred to UA Local 342. It is important to first contact our office regarding potentially incorrect Apprentice classifications prior to submitting your ECR Forms to avoid processing delays and errors.

**SUPPLEMENTAL 401(k) RETIREMENT PLAN - Internal Revenue Service Favorable Determination – Reminder of Tax Status**

Employers and/or their accountants frequently ask Plan Representatives to identify the Internal Revenue Code (“IRC” or “Code”) provision under which the Plan has received its tax exemption. Some employers also raise concerns that they might be required to deduct FICA and FUTA from their contributions to the Plan. As explained below, FICA and FUTA are not to be deducted from the Supplemental 401(k) Retirement Plan contributions, as the Plan is qualified under IRC 401(a).

Contributions to the Northern California Pipe Trades Supplemental 401(k) Retirement Plan should be treated in the same manner as contributions to other IRC 401(a) qualified pension plans. Thus, FICA and FUTA are not to be deducted for the Plan contributions.
Plan contributions also are exempt from State of California payroll and withholding taxes. Section 17501 of the California Revenue and Taxation Code provides that plans qualifying for favorable treatment under IRC 401(a) enjoy the same status with respect to state taxes.

If you have any questions, or desire additional information regarding this matter, please address your concerns in writing to the Trust Fund Office at the address indicated above.

SUPPLEMENTAL 401(k) RETIREMENT / HEALTH REIMBURSEMENT ACCOUNT (HRA) REMINDERS
Pursuant to the Collective Bargaining Agreement (CBA), employees may be eligible to change their 401(k) and/or HRA classification(s) effective with January hours. This may be the only opportunity for an employee to have a different classification during the term of the CBA. Dispatches which included 401(k) and/or HRA changes were issued by UA Local 342 in December 2018.

SUPPLEMENTAL 401(k) RETIREMENT / HEALTH REIMBURSEMENT ACCOUNT (HRA) – Overtime and Tax Exempt
The Supplemental 401(k) and HRA are paid at straight time, time and one-half, and double time rates. The Supplemental 401(k) Retirement and HRA contributions are excluded for all tax purposes.

If you have any questions, please contact the Employer Compliance Department at 925/356-8921 Option 5 or via email at tfo@ncpttf.com. Thank you.
