Employer Responsibility

As an Employer it is your responsibility to report all hours worked and paid accurately. Deductions taken out for Credit Union, 401(k) and additional HRA must be remitted in full. Note: You are urged to contribute at least the 401(k) deferrals by the 15th business day of the month following the work month. By returning the enclosed ECR Form(s), the Employer certifies under the penalty of perjury that the information contained herein is correct, that all hours worked or paid during the period covered are reported herein. Failure to pay the full amount due will result in the assessment of liquidated damages and other potential penalties.

REPORTING ADJUSTMENTS

If you find that an employee's hours and/or contributions were reported to our office incorrectly, or in error, an adjustment will be required. For our office to process an adjustment, the Employer will need to report the adjustment on a separate ECR Form reflecting the Work Month in which the hours were originally reported (e.g., a mistake in the amount of March hours reported is discovered when completing April ECR Forms; report the adjustment on a March ECR Form). **DO NOT LIST NEGATIVE HOURS ON THE CURRENT WORK MONTHS ECR FORMS.** If an adjustment is required, our office can provide you with the applicable ECR Forms as needed. NOTE: Our office is unable to process adjustments of Credit Union contributions once the money has been transferred into the employee's Credit Union account. Other adjustments involving HRA and/or 401(k) are subject to review.

HOLIDAYS – SUBMIT YOUR ECR FORMS ASAP

Our Office, UA Local 342, and the Credit Union Office will be closed on **December 24th** and **December 31st** in observance of the Christmas and New Year's holidays. Please keep this in mind and allow sufficient time for mail service and delivery to the bank. As a reminder, *reports and contributions are due and payable at the bank by the 15th of the month following the work month and are delinquent if not received at the bank by the 22nd (you are urged to contribute at least the 401(k) deferrals by the 15th business day).* Failure to report and pay timely or issuance of a non-sufficient funds check, will result in assessment of Liquidated Damages and Interest Charges.
